Burnside-Harewood

Youth Leader Job Description

July 2026

Introduction

This role offers a unique opportunity to rebuild and revitalise a youth ministry within a parish that has a long and vibrant history of investing in young people. The parish is strongly committed to supporting youth ministry and is seeking 2 leaders who will help shape its next season with creativity, theological depth, and pastoral wisdom.

This position is **one of two Youth Leader co-lead roles**, each working **8–12 hours per week**. Together, the co-leaders share responsibility for the overall direction, discipleship culture, and weekly ministry rhythms, while also having freedom to divide tasks according to gifting, availability, and ministry philosophy. While the job description outlines the core expectations of the role, there is genuine openness to different youth ministry approaches, and aspects of the position, including specific responsibilities and hours of work, are all negotiable with the successful candidates.

Alongside the youth ministry role, there is also the opportunity to participate in, and potentially lead, a young adult/student flat of up to four residents, contributing to a wider culture of discipleship and community life.
